Minutes

Members in attendance: Barbara Waldron, Dave Waldron, Richard Thomas, Doris Wells, Karen Motawi, Janet Clark, Nancy Stephan

Minutes of Jan. 13, 2011 were read. Richard Thomas made a motion to accept minutes as printed and Dave Waldron supported motion. Motion carried.

Progress update:

1. Stone Hatchery building –General contractors have been contacted about work on the inside of the building this summer. Many are interested in getting details. After we get an idea of what we should do and estimated costs, we hope to let bids this spring.
2. Walking bridge on the west side of Northland Dr. over the creek, Doris Wells made a motion to continue discussion with MDOT representatives. Richard Thomas supported. Motion carried.
3. Bike and pedestrian cross walk from Mill St. to township hall. After discussion of whether the walkway should be on the North side or South side of the township entrance, Richard Thomas made a motion to request that MDOT place the crosswalk on the South side. Motion supported by Doris Wells. Motion carried.
4. Park & Recreation Master Plan – Marlies Manning submitted a proposal to offer her services in getting the master plan updated. The committee felt that some of the work could be done by park committee members. Richard Thomas made a motion that we work with Marlies Manning to update the master plan. Doris Wells supported motion. Motion carried.
5. The park committee would like to have a remodeling/yard/bake sale and lunch at the township hall and pavilion on Thursday and Friday, May 12 & 13, 2011. Details to follow.

Scheduled other park meetings for Monday, March 14, 10:00 and April 4, 2011 at 10:00.

Meeting adjourned 12:15.
