

## **STONE HATCHERY PARK & RECREATION ADVISORY COMMITTEE**

AUG. 1, 2006 Meeting

Volunteer's members in attendance were, Janet Clark, Nancy Stephan, Roger Carroll, Barb & Dave Waldron, Richard Thomas, Cheryl Thomas, Bob Baldwin Doris Wells, Diane & Jack Richards, Jack Emery, Jim Peek, Carolyn Chipman

The following is a list of what was discussed:

### **1. SHUFFLEBOARD COURT**

Jack Emery a resident from the township and a member of the National Shuffleboard Organization was in attendance to present to the committee information on shuffleboard courts and to volunteer his time.

The discussion was that the recreation plan showed one court. It was suggested do three courts and move the horseshoe pits all down into the Stone Hatchery Park area. More discussion will be needed.

Don't paint, stain.

Mr. Emery invited the committee to Ewart to watch the tournament on Aug. 10<sup>th</sup>.

### **SERVICES FROM FERRIS**

Cheryl Thomas reported she was not able to get any volunteers from Ferris to help on the surveying or construction.

### **STONE BUILDING & TOPO SURVEY OF GROUNDS**

Janet Clark reported Tom Sage is interested in doing the ground topo survey and work possibly with Gary Gerber on the assessment of the stone hatchery.

### **VIDEO HISTORY**

Cheryl Thomas reported the video and TV group from Ferris is interested in helping develop the history for the township.

### **CHARLIE BROWN PARK**

J. Peek reported the basketball hoops have been ordered from Ken's Sports Center and will be delivered to his place.

### **EXCAVATING**

Are still looking for contractor to prepare a spec sheet for the ground excavating at the hall park site.

### **MEMORY TREE**

It was suggested that donations be accepted for memory trees planted in the park and garden areas.

### **MANCHESTER PARK**

The question was asked if the letter had been sent to the DNR on Manchester Park. It has not.

### **GRANTS**

There was a discussion on grant applications.

Grant writer names were suggested: Mike Pisani, Cindy Plants, Ann Gilbert, Janette Flurry, Debra Jacks and Marlies Manning

### **STONE HATCHERY WORK BEE**

It was suggested the township have a work bee at the stone hatchery site.
