Meeting called to order and Pledge of Allegiance was recited.

Discussion followed:

1. Work on Stone Hatchery Building:
 - A. Cement water tanks have been removed
 - B. All inside room block walls and cement ceilings have been removed.
 - C. A majority of roof boards needing replaced have been replaced. Felt and shingles should be on soon.
 - D. Copula is being painted and repaired.
 - E. Outside trim is being repaired and painted

2. Work around the Stone Hatchery Park area:
 - A. Soil Erosion permit has been renewed.
 - B. Soil borings are complete.
 - C. Janet will check with a volunteer to repair and complete the stone wall at the north end of the building.
 - D. Community service workers will be asked to clean out and place on burn pile the brush, small scrub trees, etc. along the east side of the park area.
 - E. Should the old outhouse cement block building get a new roof, fill in window area, and be cleaned out for use as a storage building?

3. Suggested work to be completed spring/summer 2011 includes:
 - A. Get the Stone Hatchery building ready for use by the public. Janet will ask for written opinion from at least two professionals what they would do to get the inside walls repaired and presentable. What to do with the floor?
 - B. Clean out area between west stone wall and hatchery building. Should drain spouts be added?

4. Bridge will be added at a later date.

5. Richard Thomas has asked a Fiddler's group if they would like to have a jamboree at the Stone Hatchery Park area late summer 2011 or 2012.

6. Next meeting Monday, September 27, 2010, at 10:00.

Park committee walked the Stone Hatchery Park area to observe: what has been done, work in progress, and what needs to be done. Committee dispersed 12:15.
