To All Interested Parties:

Green Charter Township is issuing this Notice of Intent to create a Master Plan as required under the Michigan Planning Enabling Act (Act 33 of 2008).

In accordance with the Michigan Planning Enabling Act (Act 33 of 2008) and related amendments, when a Township is intending to create a Master Plan, it must notify by first class mail or personal delivery the following parties: the planning commission or elected body of any city, village, or township located adjacent to the City; the county board of commissioners; the regional planning commission; any public utility company, railroad company, and/or public transportation agency operating within the local unit of government; and any government entity that registers its name to be notified.

This notice must occur in advance of the formal planning process. The notice of intent to plan should note that the Township is beginning a planning process and encourages and requests cooperation and comments from all notified parties. This notice has been posted with the City Clerk's Office in the City of Big Rapids, County Clerk's office of Mecosta County, and on Green Charter Township's website.

In accordance with the requirements of Michigan's PA 33 of 2008 and related amendments, this is to notify you that Green Charter Township, Mecosta County Michigan, is initiating the process to create a Township Master Plan. The Township is asking for your cooperation and assistance in this process. Specifically, we would like to know if you have any thoughts, concerns, or issues you feel should be addressed in this effort. Later in the process, the Township will be issuing a draft copy of the Master Plan for public review and comment, as required by the Act. At that time, we would appreciate all comments regarding the Plan's content.

PLEASE BE NOTIFIED that you are invited to send a letter stating your opinions, position, or questions to Green Charter Township (Attn: Planning Commission), 21431 Northland Dr. Paris, Mi. 49338, or email to Brent Mason, zoning@greentownship.org

We look forward to your cooperation and comments.

Thank you,

Steve Olen
