PUBLIC COMMENTS**FYI**

The supervisor presented to the board for review a list of projects for the capital Improvement plan for 2022-2023 budget year.

Trustee R. Carroll expressed concerns and interest regarding the cost sharing of the internet towers. There was a discussion:

Leasing revenue and tax tribunal issues concerning space leased on the towers, budget overruns on the estimated costs for the internet towers, question of ISI's level of contribution to the project, maintenance costs, and benefits of service in various areas of the township.

State Senator Rick Outman will be here at the township hall Friday, November 12, 2021 1:30-2:30. The public is welcome to come and speak with Senator Outman.

The soil studies have been sent to the tower manufacturer.

One property survey may be completed in December, the other not until after the first of the year. These leases will be completed after the surveys are completed.

2022 road funding was discussed.

At the Mecosta Township Assoc. meeting last month, the Mecosta Co. Road Commission was present and proposed to the townships an apportionment of 1 million road funding dollars to the township @ \$62,500.00 per township, that the township could put towards their own projects. The Mecosta Township Assoc. elected to prepare a resolution to the Mecosta Co. Commission additional funding for the roads in Mecosta County's Townships.

The 2022 Sewer User Charge has been completed and will be distributed to the board for review and approval at the January board meeting.

The Boy Scouts and Cub Scouts have commented they are grateful to be allowed the use of the township facility.
